RYAN HADI

Business Development Manager | Enterprise B2B Sales | Channel Partnerships

Jakarta, Indonesia | +62 821 9997 5090 | ryanhadi.career@gmail.com | linkedin.com/in/ryanhadi

SUMMARY

Business Development Manager with 5+ years of full-cycle B2B sales and channel partnerships in enterprise IT and corporate healthcare. Closed IDR 10B+ across eight enterprise IT deals, exceeding 2025 quota by 15%+, and delivered 120%+ of new-business target in corporate healthcare. Runs consultative, multi-stakeholder deals end to end, working cross-functionally with Legal, Finance, and Operations. Builds AI-powered sales workflows that tripled prospecting capacity and doubled discovery meetings. Targeting Business Development Manager roles covering Indonesia.

EXPERIENCE

Business Development Manager, B2B Partnerships **Mar 2023 - Present**

Sinar Mas Land (OneSmartServices) | Jakarta, Indonesia

IT solutions unit of Sinar Mas Land (developer of BSD City), delivering cloud, managed services, and smart city infrastructure to 110+ corporate clients.

- Closed IDR 10B+ in total contract value across eight enterprise deals (avg. IDR 1.25B+ per deal) for OneSmartServices' smart CCTV and network infrastructure solutions through full-cycle, consultative sales, averaging 100%+ of annual quota and exceeding 2025 quota by 15%+.
- Built AI-powered workflows (ChatGPT, Claude) for prospect research, outreach, and proposal drafting, saving 10+ hours per week. Tripled monthly prospect research volume, doubled discovery meetings, and cut proposal turnaround from several days to one.
- Grew qualified partner-sourced pipeline by 25% (IDR 2B to IDR 2.5B) in 12 months by launching quarterly business reviews and joint sales plans with 20 active channel partners.
- Led a three-person BD team and signed four new channel partner agreements by running cross-functional Legal, Finance, and Operations reviews in parallel, cutting average proposal-to-signature time from 60 to 48 days.

Business Development Executive **Apr 2021 - Mar 2023**

Siloam Hospitals Group | Jakarta, Indonesia

Indonesian private hospital network serving inpatient, outpatient, and corporate healthcare clients.

- Exceeded both personal and team new-business targets by 20%+. Built and ran an individual outbound prospecting pipeline in HubSpot targeting HR and procurement (avg. 20 qualified prospects and 10 discovery meetings per month), contributing to 12 new corporate accounts and IDR 750M in first-year team revenue.
- Co-managed a 20-account corporate portfolio with a senior account manager, growing revenue 15% YoY (IDR 1B to IDR 1.15B) by mapping gaps in employee health coverage and cross-selling inpatient and outpatient services.
- Owned the commercial side of medical check-up programs for 1,500 employees across 12 corporate clients, working with Operations on delivery; renewed 10 of 12 eligible contracts (83%) and generated IDR 150M in follow-up service revenue.
