Hello Agoda team,

Agoda needs a Strategic Account Manager who grows key supply partners through data and regular business reviews, which is how I run my partner program today. I am a Business Development Manager in Jakarta with five years of B2B sales and channel partnerships in enterprise IT and corporate healthcare.

At Sinar Mas Land (OneSmartServices) I closed IDR 10B+ in contract value across eight enterprise deals, averaging IDR 1.25B each, and finished 2025 at 115%+ of quota for smart CCTV and network infrastructure. At Siloam Hospitals Group I built an outbound pipeline in HubSpot aimed at HR and procurement, with about 20 qualified prospects and 10 discovery meetings a month, which brought in 12 new corporate accounts and IDR 750M in first-year team revenue.

I have not worked in travel, and while I speak Bahasa Indonesia natively, I would need time to become fully professional in Bahasa Malay. I am based in Jakarta and would relocate to Kuala Lumpur with employment pass sponsorship.

I would welcome a short call to learn which partner segments the role covers. My CV is attached.

Best regards,
Ryan Hadi
