Hello Stripe team,

Your SMB Grower team owns renewals and upsell across Southeast Asia, and renewals and cross-selling into an existing portfolio are what I owned at Siloam. I am a Business Development Manager in Jakarta with five years of B2B sales and channel partnerships in enterprise IT and corporate healthcare.

At Sinar Mas Land (OneSmartServices) I closed IDR 10B+ in contract value across eight enterprise deals, averaging IDR 1.25B each, and finished 2025 at 115%+ of quota for smart CCTV and network infrastructure. At Siloam Hospitals Group I built an outbound pipeline in HubSpot aimed at HR and procurement, with about 20 qualified prospects and 10 discovery meetings a month, which brought in 12 new corporate accounts and IDR 750M in first-year team revenue.

I have not sold payments before. I would close that gap the way I learned smart city infrastructure at OneSmartServices: by learning the product deeply and selling the outcome, not the feature list. I am based in Jakarta, one hour behind Singapore, and would relocate with employment pass sponsorship.

I would welcome a short call to learn how the team splits renewals and new product sales. My CV is attached.

Best regards,
Ryan Hadi
